

**INTERACTIVE BALLS TO TEACH EMOTIONAL, SOCIAL AND BEHAVIURAL SKILLS**

Just throw the ball to a player, who then reads the statement nearest the right thumb. Accompanied by an instruction sheet with suggestions for play.

Whoever catches the ball reads and discusses statements such as:

- Take five deep breaths
- Smile for three seconds.

Full of affirmative statements such as:

- Tell what you like about yourself
- Give someone a compliment.

Contains statements such as:

- Ask someone what they like about you
- Toss the ball to someone friendly.

A great way to reinforce classroom rules. Players respond to statements such as:

- Give one reason why you need to raise your hand to speak
- Explain why it isn't fair to cheat.

**Positive Behaviour**

- The less stress ball
- The helping, sharing and caring ball
- Positive attitude ball
- The Anger control ball
- The you & me ball

Also, available which are not featured in this flyer:

- Motivating me ball
